D'ANGLETERRE WELCOMES THE BEAUTY OF WINTER

Every winter, as the days get shorter, Copenhagen Kongens Nytorv (Kings' Square) is transformed into a nighttime winter wonderland, as the white façade of the classic d'Angleterre glows with lights and decorations that depict ancient fairy tales. The people of Copenhagen, Danes from near and far, and travelers from around the world come to Kongens Nytorv to marvel at the spectacle. This year, we light the lights and the fairy tale begins on Friday, November 11 at 5PM.

As has long been the tradition, the lighting is accompanied by the brightly uniformed band of the Royal Life Guards who plays winter and Christmas favorites. And this year, our "Winter Wonderland" pays tribute to the fragile Arctic north of the earth in a loving and concerned reminder that we must take care of our beautiful planet.

As the d'Angleterre brightens the winter darkness of Copenhagen, we look forward to sharing this magical moment with all in the true and all-embracing spirit of Christmas.

CHRISTMAS FOR CHILDREN AT D'ANGLETERRE

Christmas is a magical time of year, especially for children, and at the d'Angleterre, we do our utmost to exceed our youngest guests' expectations.

Enchantment begins the moment we welcome them with a gift and homemade cookies.

From December 19 to December 29 there will be a special playroom where children can enjoy cozy moments with the hotels' other small guests, and when the day turns into night, and bedtime approaches, the children are pampered with sweet delights.

The holiday culminates on Christmas Eve with a visit from Santa Claus who, of course, brings presents for all good children everywhere – especially at the d'Angleterre.

If you have questions about the children's Christmas at the d'Angleterre, please contact our reception.
