## MEETING & CONFERENCE 2023

For more than 260 years the d'Angleterre has hosted an array of historical events; from formal galas, weddings, diplomatic receptions, and royal banquets. Meetings and events facilities at the hotel, offer the ultimate conditions for tailor-made business meetings, conferences, product launches, private functions, and wonder weddings.

The historic Palm Court and ballroom Louis XVI are still some of the most desirable events and conference venues in Copenhagen. We also offer free internet throughout the hotel.

Our dedicated event team tailors every event to meet all specific wishes, thus ensuring an experience that matches your high expectations and subsequently creates lasting memories.

### **Palm Court**

The Palm Court's rich history contributes to a tale of prominent guests and historic events. The interior design of the Palm Court features the largest glass mosaic roof in Europe, which was designed and created by the Italian glass artist Albano Poli.

### **Louis XVI**

Louis XVI has hosted and created the frames for many state dinners and events for the elite and high-end citizens, diplomats, and artists. With the breathtakingly ceiling and the large, beautiful chandeliers, the room can be used for dinners, conferences, and special events.

### **Gallery**

Our beautiful and multifunctional room, the Gallery, can be used for everything from Afternoon tea with its unique lounge furniture, meeting room, lectures, as well as an intimate dinner room for smaller groups.

### **Empire**

This affectionate meeting room interconnects with Salon IV and Salon III for a unique and private setting for an event.

### **Salons I, II, III & IV**

These salons are ideal for smaller meetings or private dinners. Salon I and II as well as Salon III and Salon IV can be set up and used as individual salons or connected if desired.

### **Balthazar**

Located at the corner of the hotel, Balthazar has its own signature. The Champagne bar is an exclusive experience with a wide selection of Champagne, as well as refreshing signature cocktails for larger receptions and events - indeed for weddings as well.
